

Human Biology Association

Call for Nominations Officers and Standing Committee Members

Several offices of the Human Biology Association will become vacant in spring 2009. The Nominations and Elections Committee will select the slate of candidates based on your nominations. Please nominate individuals who will actively participate in Association activities and promote the objectives of the Human Biology Association. We seek the widest representation of our members to serve as officers and committee members. Each Executive Committee member is charged with a specific area of responsibility: Membership, Public Relations, International Representative, or Annual Meeting Program. Details on the duties of each area are available at the HBA website (www.humbio.org).

Note: Please check with your nominee first, to make sure that they are willing to run!

Deadline for nominations: September 15, 2008.
