Call for Nominations

Franz Boas Distinguished Achievement Award

The purpose of the Franz Boas Distinguished Achievement Award is to honor a member of the Association for exemplary contributions to human biology in science, scholarship, and other professional service. Our criteria for the award are that (1) the recipient shall be identified as a leading figure in our profession, either from the United States or from abroad; (2) the recipient shall have made a *series of contributions* that represent a significant accomplishment within the profession; (3) alternately, the recipient shall have made a *remarkable contribution or creative act* that transcends normal scientific achievement and that is worthy of recognition both outside of and within the profession of human biology. Past recipients have been Gabriel Lasker (1996), James Tanner (1997), Alice Brues (1998), Francisco Salzano (1999), Paul Baker (2000), Derek Roberts (2001), Stanley Garn (2002), Geoffrey Harrison (2003), Alex Roche (2004), Ralph Garruto (2005), Michael Little (2005), Robert Malina (2006), Emőke J.E. Szathmary (2007), A. Roberto Frisancho (2008), Cynthia M. Beall (2009), Lorna G. Moore (2010), and Michael H. Crawford (2011).

Nominations for the Boas Award should be made on this form and include a **current Curriculum Vitae** of the nominee and a **letter of support** (an email of support is also acceptable) addressed to the Chair of the Nominations Committee. Letters should support the nomination with details of the candidate's accomplishments, mentoring, and service. A nominee may stay in the candidate pool for three years; the original nominator can provide updated materials each year. The winner will be honored at the 2012 annual meeting Awards Luncheon.

The deadline for nominations is October 1, 2011.
