Associate Professor, Department of Anthropology, College of Arts and Sciences

Director of Graduate Studies, Department of Anthropology, College of Arts and Sciences

EDUCATION

2009 Ph.D., Anthropology, University at Albany

2006 M.A., Anthropology, University at Albany

2002 B.A., *cum laude*, Cultural Anthropology, CUNY Baccalaureate Program

PROFESSIONAL EXPERIENCE

2015—present Associate Professor of Anthropology, University of Alabama

2009—2015 Assistant Professor of Anthropology, University of Alabama

2010—present Graduate Faculty, University of Alabama

2008—2009 Lecturer, College of Science, Marist College

2008 Lecturer, Department of Anthropology, University at Albany

2008 Lecturer, Department of Anthropology, SUNY New Paltz

2007 Lecturer, Department of Psychology, Montclair State University

2005—2009 Research Assistant, Center for the Elimination of Minority Health Disparities, University at Albany

2004—2009 Graduate Teaching Assistant, University at Albany

2003—2004 Educator, Intrepid Sea, Air & Space Museum

2000—2003 Educator, Lower East Side Tenement Museum

HONORS AND AWARDS

2019 Leshner Fellowship, American Association for the Advancement of Science

2015 Outstanding Commitment to Students, A&S Leadership Board, University of Alabama

2008 Graduate Student Organization Best Grant Awardee, University at Albany

2006 Best Paper Award, Society for the Anthropology of Consciousness

2002 Phi Beta Kappa, Brooklyn College

2002 Alumni Fund Scholarship, CUNY B.A. Program

2001 Olga Kattan Scholarship, Modern Languages, Brooklyn College

2001 Class of '37 Scholarship, Brooklyn College

2000 Ford Colloquium, Brooklyn College

2000 Class of '41 Scholarship, Brooklyn College

RESEARCH INTERESTS

Theoretical: Biocultural, medical, cognitive, psychological, and experimental anthropology cognitive science of religion; human evolutionary biology; neuroanthropology; evolutionary psychology; evolution education, outreach, and engagement.

Topical: Religiosity, spirituality, and health; evolution of consciousness and cooperation; dissociation, deafferentation, and trance; fire; complementary and alternative medicine; human sexuality; bio-hacking, drug use, and body adornment; stress and immune response.

Area: United States, American Samoa, Costa Rica.

RESEARCH PROJECTS

Pepe, Aiga, and Tinā Health Study (PATHS) in American Samoa: Improving Healthcare through Increasing Cultural and Environmental Awareness. Collaboration with ME Howells, University of North Carolina Wilmington.

Inking of Immunity: Tattooing and Immune Response in the U.S. and Pacific. Collaboration with ME Howells, University of North Carolina Wilmington, and Michael Muehlenbein, Baylor University.

Family and the Field: Influences of Field-Based Research on Family Planning and Dynamics. Collaboration with ME Howells, Collaboration with ME Howells.

Improvisational Comedy and Stress: Influences of Embodied Group Cooperation on Stress and Anxiety. Collaboration with C Ocobock, University at Albany; Lee Gettler, Mallika Sarma, Notre Dame University.

Knowledge and Emotional Salience of Evolution via Informal Education. Collaboration with William Evans, University of Alabama.

Fireside Relaxation Study: Influences of Fireside Sociality on the Evolution of Human Cognition.

Belongingness and Religious Ecology Study Tuscaloosa.

Self-Deceptive Enhancement and Mating Success. Collaboration with JP Keenan, Montclair State University, and R. Nathan Pipitone, Adams State University.

Glossolalia Influences on Stress Response among Apostolic Pentecostals. Collaboration with LM Schell, C Frye, and J Paris, University at Albany.
